Fall Continuing
Education Workshop

Earn 6 CE's Pending AST approval

FEATURED SPEAKERS

Michael Salter, M.D.

Dr. Salter attended medical school at The University of Alabama – Birmingham. He then completed a residency in ophthalmology and a fellowship in glaucoma at the University of Arkansas for Medical Sciences.

Dr. Salter is an accomplished surgeon and is skilled in state of the art microinvasive surgical and laser techniques to effectively treat glaucoma.

Mark L. Hagood, MD

Dr. Hagood completed his internship and ENT surgical training at Duke University Medical Center and is Board Certified in Otolaryngology Head & Neck Surgery. He obtained his MD degree at the University of Alabama School of Medicine.

Pioneering innovations and advances in ENT for North Alabama, his practice has the distinction of medical and surgical firsts for the regions, including image-guided sinus surgery, BAHA Bone-anchored hearing aid implant prostheses and Transoral Robotic surgery.

W. Jay Suggs, MD FACS FASMB

Dr. Suggs completed general surgery training at the Mayo Clinic and bariatric surgery fellowship at Princeton, NJ. He has degrees in Biology and Chemistry from Emory University, and his medical degree from UAB.

Dr. Suggs has performed over 1,800 bariatric operations, including the laparoscopic sleeve gastrectomy, the laparoscopic gastric bypass, the laparoscopic adjustable gastric band, and bariatric revision/redo surgery. He also is among the first surgeons in the U.S. to perform the Orbera intragastric balloon as well as the Obalon Balloon, the nonsurgical weight loss devices.
